

"Twilight Time"

Heavenly shades of night are falling, it's twilight time
Out of the mist your voice is calling, 'tis twilight time
When purple-colored curtains mark the end of day
I'll hear you, my dear, at twilight time

Deepening shadows gather splendor as day is done
Fingers of night will soon surrender the setting sun
I count the moments darling till you're here with me
Together at last at twilight time

Here, in the afterglow of day, we keep our rendezvous beneath the blue
And, in the same and sweet old way I fall in love again as I did then

Deep in the dark your kiss will thrill me like days of old
Lighting the spark of love that fills me with dreams untold
Each day I pray for evening just to be with you
Together at last at twilight time

Here, in the afterglow of day, we keep our rendezvous beneath the blue
And, in the same and sweet old way I fall in love again as I did then

Deep in the dark your kiss will thrill me like days of old
Lighting the spark of love that fills me with dreams untold
Each day I pray for evening just to be with you
Together at last at twilight time
Together at last at twilight time

Handwritten musical notation in Korean, including staff lines, notes, and symbols. The notation is arranged in several columns corresponding to the lyrics on the left. It includes various musical symbols such as clefs, notes, rests, and dynamic markings, all written in a cursive, handwritten style.
