

12/8 Some new id ideas of the day.

quite a bit [A] (bite bite bit container)

[A] a lot [L] much [L] enough [M] amount

wonderful [++][+] wonder think m bird, free ++ intense (+)

good (bad). I had [M] for wonderful ([L] full) but decided that the word/idea belonged in the "good" family (-[+]) [++]? (+ excellent)

[*A] rich in sense of full (having a lot) + varied

[L] full [++][+] various, vary little

[L] rich (have a lot) [A] (Amney) [L] (Y big) [L] (poor)

[A] a 1-1 [L] [A] [L] I like my id for "experience" -

He lived a long life, rich in experience. } happen over person. (r chance = hap)

[L] it (v) in sense of finished That's it! (We're done!)

[L] up (t) Time is up. sense - over

I don't know if I will/would use these ids for these special senses. It might not be worth the trouble.

For "no" I don't bother with ids for the many senses but

use [L] for them all. yes, simplified from [L], a nodding head.
