

 IMPASS, ROADBLOCK

I just made "impass" ( or ) spontaneously while reading. (Automatically - after doing a lot of transcribing into ids, the momentum of my brain has me doing it involuntarily as I read).

 pass, as in mountain pass , pass a test, passage permeate  (*meatus passage*), etc.

impass  caused me to immediately think of roadblock 
 (= road  block)

 is a         

For it I have made it more my own, taken possession of
 it as a visual concept that resides in my mind like a
 crystal, a jewel - hard, definite, and beautiful.
