

 RICHNESS, BIG-DEAL-NESS

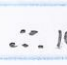

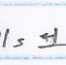

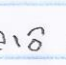

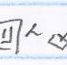

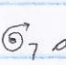

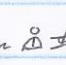

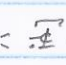

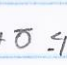

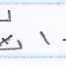

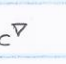

One thing that makes this id project of mine so ^{fun+} rewarding is that with each new or improved id I am building my mind, adding a new mental, a new and stronger particle of mental richness.

 trap (□ container) \rightleftharpoons  irreversible, one-way
 \rightleftharpoons  2-way, reversible = road  ball bearings?

( rich: varied  + abundantly full □ (□ full))

\therefore   \rightarrow a               \rightarrow c
 # "a   \rightarrow               \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow                 \rightarrow
