These thoughts, these id thoughts, are all so intimate and personal

that I am a little embarassed to share them, + reluctant.

But I suppose anyone who is able to appreciate them must to some, or a

large, extent be recreating what I do,

+ I' . and so be like myself.

NOTES: cheat - going around what is correct (or good or the rule

or or whatever)

reluctant [ie back / not struggle] (fight / hard)

. Life is good.

is just the hieroglyphic ankh, symbol of life, and

has nothing to do with good. I like the ankh, which to me

looks something like a plant, something like a person, and is

interestingly largely the inverse of the hieroglyph , beautiful (nefer).
